About Gantara

Gantara was born from the fusion of diverse expertise coupled with business experience in distribution networks across the nation.

Gantara offer solutions for Indonesia creative design industry, through interior products that are both high-quality and possess refined aesthetic value!

HANDLE

Designed to provide efficient and organized storage solutions in modern wardrobe designs. Let's try practical and aesthetic storage experiences with these products :

1. Knobs

Cabinet pulls have a single-point design resembling buttons, capable of providing a sense of comfort and beauty in every grip.

2. Pull Handle Bars

Cabinet pulls are designed using two spaced screws, creating an elegant recess for comfort during use.

3. Planted Handle

Cabinet pulls are flush-mounted on the door body. Creating a smooth and integrated appearance.

4. Streamline Handle

Long model pulls reach the height of cabinet doors, up to 240 cm. Providing a contemporary and beautiful impression in interior design.

5. Signature Handle

Exclusive original Gantara products, giving each handle a unique touch reflecting character and elegance.
